Liquidating Trustee of the Palm Beach
Finance Partners Liquidating Trust,

Adv. Case No.

Plaintiff,

v.

V.A.S. Partners, LLC,

Defendant.

COMPLAINT TO RECOVER TRANSFERS

Barry E. Mukamal, in his capacity as liquidating trustee ("***Plaintiff***") of the Palm Beach Finance Partners Liquidating Trust ("***Liquidating Trust***"), sues V.A.S. Partners, LLC ("***Defendant***") and alleges as follows:

PARTIES, JURISDICTION AND VENUE

1. Palm Beach Finance Partners, L.P. ("***PBF I***") was a Delaware limited partnership whose principal place of business was located in Palm Beach County, Florida. PBF I was formed in 2002 to make the investments described in *Section I* below.

2. The general partner for PBF I was Palm Beach Capital Management, L.P. ("***PBCMLP***"). PBCMLP's general partner was Palm Beach Capital Corp. The investment

manager for PBF I was Palm Beach Capital Management, LLC. These entities are collectively referred to as the “*Palm Beach Managing Entities*.”

3. Historically, the principals who directed the activities of PBF I and the Palm Beach Managing Entities were David Harrold and Bruce Prevost (respectively, “*Harrold*” and “*Prevost*”). However, beginning in October 2008, following the discovery of the Petters fraud (as described in *Section II* below), this management structure was replaced with independent management. In particular:

a) On or about October 29, 2008, agreements were entered into among PBF I, Palm Beach Finance II, L.P. (together with PBF I, the “*Palm Beach Funds*”), Harrold, Prevost, the Palm Beach Management Entities and certain limited partners of the Palm Beach Funds that delegated day-to-day control to appointees of the limited partners. Pursuant to these agreements, “steering committees” for each of the Palm Beach Funds were created and authorized to act on behalf of the Palm Beach Funds;

b) In December 2008, each steering committee retained the law firm of Thomas, Alexander & Forrester, LLP (“*TAF*”) to investigate and pursue claims against third parties arising from losses resulting from the Petters fraud. In March 2009, each steering committee retained the law firm of Berger Singerman (“*BS*”), to serve as special bankruptcy counsel and co-counsel with TAF.

c) In June 2009, the steering committees authorized the retention of Lewis B. Freeman to serve as the Chief Restructuring Officer (“*CRO*”) for each of the Palm Beach Funds. The CRO was authorized to (1) manage the Palm Beach Funds day-to-day affairs; (2) make payments and disbursements as appropriate; (3) retain counsel and professionals to pursue and resolve any claims belonging to the Palm Beach Funds; (4)

file voluntary bankruptcy petitions on behalf of the Palm Beach Funds and (5) report the material developments regarding the Palm Beach Funds to the steering committees.

d) In October 2009, Kenneth Welt (“*Welt*”) and Trustee Asset Recovery, Inc. replaced Mr. Freeman as CRO, with substantially similar reporting requirements and powers.

4. On November 30, 2009 (“*Petition Date*”), Welt authorized the filing of voluntary petitions under Chapter 11 of the United States Bankruptcy Code for the Palm Beach Funds. Orders for relief were entered and Plaintiff was subsequently appointed Chapter 11 trustee for the Palm Beach Funds.

5. Thereafter, pursuant to a confirmed joint plan of liquidation, Plaintiff was appointed Liquidating Trustee for the Liquidating Trust.

6. Pursuant to the confirmed joint plan of liquidation, all claims and causes of action held by PBF I are reserved, preserved and retained by the Liquidating Trust.

7. Defendant is a Delaware limited liability company.

8. This is a core proceeding pursuant to 28 U.S.C. § 157(b)(2)(A), (H) and (O).

9. This Court has jurisdiction pursuant to 28 U.S.C. § 1334(b) and may enter any order or final judgment.

10. Venue is proper in this District pursuant to 28 U.S.C. § 1409.

11. The Transfers (as defined below) that are the subject of this Complaint were all effectuated using bank accounts located in the United States of America.

ALLEGATIONS

I. The Petters Investment

12. Beginning in approximately 1995, Thomas Petters (“*Petters*”) began raising money by offering and selling unregistered promissory notes to members of the public.

13. Petters offered and sold the notes to various feeder fund lenders, which in turn, typically raised their capital from private investors.

14. In offering and selling the notes, Petters represented to lenders that the proceeds from the sale of the notes would be used to finance so-called “purchase order financing.”

15. Under Petters’s version of purchase order financing, he arranged for the sale and delivery of overstock consumer electronics from manufacturers or suppliers to certain “big box” retailers such as Costco, Sam’s Club and B.J.’s Wholesale Club. The financing provided by the lenders was necessary to bridge the period between when the suppliers demanded payment and when the retailers paid for the merchandise.

16. The main Petters entity which arranged these purchase and financing transactions was Petters Company, Inc. (“*PCI*”).

17. The main suppliers that were allegedly selling the merchandise that formed the basis of the purchase order financing transactions were Nationwide International Resources, Inc. (“*Nationwide*”) and Enchanted Family Buying Company (“*Enchanted*”) (Enchanted and Nationwide are sometimes referred to as a “*Petters Supplier*”).

18. Generally, the investment strategy was supposed to work in the following, sequential manner:

- a) Petters or PCI would allegedly broker the sale of merchandise between one of the Petters Suppliers and a big box retailer;

- b) Once a deal was brokered, a lender (*e.g.*, PBF I) would wire the funds necessary to purchase the merchandise from the Petters Supplier directly to such supplier's bank account;
- c) The Petters Supplier would ship the merchandise to the big box retailer;
- d) Upon receiving the merchandise, the big box retailer would directly send funds to the lender; and
- e) The funds remitted by the big box retailer would then be used to pay (i) first, the lender and (ii) second, a commission to Petters or entities controlled by him.

19. To evidence the steps outlined above, Petters or persons working on his behalf, typically provided a series of documents to the lenders including executed note documents, purported purchase orders from a retailer, purported bills of sale from the vendors, collateral and credit insurance and documents assigning a security interest in the underlying merchandise to the financing lender.

20. Upon being repaid, lenders to PCI would typically advance their monies into new PCI purchase financing transactions.

21. PBF I was an investment vehicle specifically formed to invest in the Petters purchase financing transactions described above.

22. PBF I raised monies by selling limited partnership equity interests to investors. These investor funds were then used by PBF I to enter into Petters purchase financing transactions.

II. The Petters Fraud

23. For nearly six years, PBF I invested nearly all of its funds in PCI purchase financing transactions.

24. The reality though was that PCI was a *ponzi* scheme.

25. Namely, there was never any (i) merchandise or (ii) contracts to purchase or sell such merchandise with a particular big box retailer. Instead, Petters, conspiring with others, operated a multi-billion dollar fraud. In likely every instance that monies were sent to Nationwide or Enchanted by PBF I and other lenders to finance the purchase of merchandise, Nationwide and Enchanted deducted a small commission for their benefit and then remitted the remaining funds to PCI. Thereafter, these funds were used to repay lenders on earlier PCI purchase financing transactions or fund the lavish lifestyle of Mr. Petters and that of his criminal co-conspirators.

26. Because PCI was a *ponzi* scheme, the fictitious purchase financing transactions entered into between it (or its affiliates) and PBF I were at all times worthless.

27. In September 2008, agents for the Federal Bureau of Investigation raided PCI's offices. Thereafter, Petters was arrested by federal agents on October 3, 2008 and then indicted on charges of mail and wire fraud, conspiracy to commit mail and wire fraud, conspiracy to commit money laundering and money laundering, all in connection with the PCI purchase financing transactions.

28. A receiver was appointed for PCI and other affiliated entities, along with Mr. Petters and his criminal co-conspirators. Thereafter, PCI and other Petters related companies filed voluntary bankruptcy petitions.

29. On December 2, 2009, a jury in the United States District Court of the District of Minnesota found Petters guilty of all counts charged. On April 8, 2010, District Court Judge Richard H. Kyle sentenced Petters to 50 years in prison for his crimes. Petters' co-conspirators were also sentenced to varying prison sentences.

30. On September 29, 2010, PCI and Petters Group Worldwide, LLC pled guilty to wire fraud, conspiracy to commit wire fraud, and conspiracy to commit money laundering relating to their roles in the *ponzi* scheme.

31. As a result of the collapse of PCI, PBF I suffered hundreds of millions of dollars in losses.

III. Transfers Made to the Defendant

32. Schedule 1 sets forth transfers made by PBF I to, or for the benefit of, the Defendant ("***Transfers***").

33. The Transfers were made to the Defendant in connection with a limited partnership investment in PBF I.

34. As set forth on Schedule 1, a portion of the Transfers represents fictitious profits paid to or for the benefit of the Defendant ("***Fraudulent Transfers***").

35. PBF I was insolvent at all relevant times to the claims asserted in this complaint against the Defendant by virtue of its worthless investments in PCI. As a result, PBF I did not receive reasonably equivalent value from the Defendant in exchange for the Fraudulent Transfers made to or for the benefit of the Defendant.

36. Because PBF I was insolvent at the time that it made the Fraudulent Transfers to the Defendant, the transfers were unlawful and void.

Count 1 – 11 U.S.C. §§ 548(a)(1)(B) and 550

37. Plaintiff reasserts the allegations set forth in paragraphs 1 through 36 as if fully set forth herein.

38. As set forth on Schedule 1, some of the Fraudulent Transfers made to or for the benefit of the Defendant were made within two years of the Petition Date (“*Two Year Fraudulent Transfers*”).

39. PBF I made the Two Year Fraudulent Transfers to, or for the benefit of, the Defendant without receiving reasonably equivalent value in exchange for such transfers.

40. At the time PBF I made each of the Two Year Fraudulent Transfers, it was insolvent.

41. At the time PBF I made each of the Two Year Fraudulent Transfers, it was engaged in a business or a transaction, or was about to engage in a business or transaction, for which any property remaining with it was an unreasonably small amount of capital.

Count 2 – 11 U.S.C. § 544, Fla. Stat. §§ 726.105(1)(b) and 726.108 or other applicable law¹

42. Plaintiff reasserts the allegations set forth in paragraphs 1 through 36 as if fully set forth herein.

43. As set forth on Schedule 1, some of the Fraudulent Transfers made to or for the benefit of the Defendant were made within four years of the Petition Date (“*Four Year Fraudulent Transfers*”).

¹ To the extent the Court determines that another state’s law applies to this cause of action and such state’s law provides for a greater look back period than is provided for under Florida law, the Liquidating Trustee gives notice that he will amend this Complaint to avoid and recover all Fraudulent Transfers made during this greater look back period. *See, e.g.*, Minn Stat. § 541.05. The Plaintiff expressly reserves the right to seek such a determination.

44. PBF I made the Four Year Fraudulent Transfers to, or for the benefit of, the Defendant without receiving reasonably equivalent value in exchange for such transfers.

45. At the time PBF I made each of the Four Year Fraudulent Transfers, it was insolvent.

46. The net assets of PBF I were unreasonably small in relation to the Four Year Fraudulent Transfers and by virtue of its worthless investments in Petters' *ponzi* scheme.

47. At the time each of the Four Year Fraudulent Transfers were made, PBF I was insolvent and would not be able to satisfy its liabilities as they came due.

48. At the time each of the Four Year Fraudulent Transfers were made, PBF I was engaged in, or was about to engage in, a business or a transaction for which the remaining assets were unreasonably small in relation to its business or transaction.

Count 3 – 11 U.S.C. § 544 and Fla. Stat. §§ 726.106(1) and 726.108 or other applicable law²

49. Plaintiff reasserts the allegations set forth in paragraphs 1 through 36 as if fully set forth herein.

50. PBF I made the Four Year Fraudulent Transfers to, or for the benefit of, the Defendant.

51. PBF I did not receive reasonably equivalent value in exchange for the Four Year Fraudulent Transfers.

52. At the time PBF I made each of the Four Year Fraudulent Transfers, it was insolvent.

² See footnote 1, *supra*.

Count 4 - Unjust Enrichment

53. Plaintiff reasserts the allegations set forth in paragraphs 1 through 36 as if fully set forth herein.

54. The Defendant received a benefit by virtue of the Four Year Fraudulent Transfers made to it.

55. The Defendant has knowledge of the benefit conferred upon it.

56. The Defendant voluntarily accepted and retained the benefit conferred upon it by PBF I.

57. The Defendant's receipt of the benefit of the Four Year Fraudulent Transfers made to it unjustly enriched it to the detriment of PBF I.

58. Under the circumstances set forth herein, it would be inequitable for the Defendant to retain the benefit conferred upon it, to wit, the Four Year Fraudulent Transfers made to it.

PRAYER FOR RELIEF

WHEREFORE, Plaintiff respectfully requests that this Court:

- (a) With respect to Count 1, enter judgment against the Defendant in the total amount of the Two Year Fraudulent Transfers received by it or made for its benefit, along with all other transfers made to it or for its benefit which are avoidable under Count 1 that are later discovered, and all other relief provided for under 11 U.S.C. § 550;
- (b) With respect to Counts 2 and 3, enter judgment against the Defendant in the total amount of the Four Year Fraudulent Transfers received by it or made for its

benefit,³ along with all other transfers made to it or for its benefit which are avoidable under Counts 2 and 3 that are later discovered, and all other relief provided for under § 726.108 (or other applicable law);

- (c) With respect to Count 4, enter judgment against the Defendant in the total amount of the Four Year Fraudulent Transfers based on a finding that it was unjustly enriched by such transfers;
- (d) With respect to all Counts, award Plaintiff's reasonable attorney's fees and costs to the extent allowed under applicable law or statute;
- (e) With respect to all Counts, award prejudgment interest to the extent allowed under applicable law or statute; and
- (f) Grant such further relief this Court deems just and proper.
