Wells Fargo Advisors is a trade name used by Wells Fargo Clearing Services, LLC, a registered broker-dealer and non-bank affiliate of Wells Fargo & Company.

General instructions and disclosures

About this statement

Clearing services: Wells Fargo Clearing Services, LLC (Wells Fargo Advisors), an indirect wholly owned subsidiary of Wells Fargo & Company, is a clearing broker-dealer registered with the Securities and Exchange Commission (SEC) and the Municipal Securities Rulemaking Board (MSRB) and is a member of the New York Stock Exchange (NYSE), the Financial Industry Regulatory Authority (FINRA) and all principal U.S. exchanges. Wells Fargo Advisors carries your account(s) and acts as your custodian for funds and securities deposited with us directly by you, or as a result of transactions we process for your account. Twice a year, Wells Fargo Advisors publishes on its web site www.wfclearing.com a statement of the firm's financial condition. A financial statement of this organization is available for your personal inspection at its offices, or a copy of it will be mailed upon your written request.

Trade date statement and trade details: All activity and positions on this statement are shown as of the date a trade is entered on the brokerage trading system (i.e., the trade date). Proceeds from the sale of securities and costs for the purchase of securities are not transacted through your account until the actual settlement date of the trade. The time of the transactions, the name of the buyer or seller, and the source and amount of any commission or fee will be furnished upon written request.

Pricing of securities: Securities prices on your statement may vary from actual liquidation value. Prices are provided by outside quotation services which we believe are reliable but due to the nature of market data the accuracy cannot be guaranteed. In the absence of such pricing, prices are estimated by Wells Fargo Advisors using available information and its judgment. Such estimates may not reflect actual trades and do not reflect a commitment by the firm to buy or sell at those prices. Securities listed on a national exchange are priced as of the close of the statement period. Unlisted shares may be valued at the current best published "bid-price", and, if none exists, the last reported transaction if occurring within the last 45 days. Prices of securities not actively traded may not be available and are indicated by "N/A." Corporate and municipal bonds and other fixed income securities are priced by a computerized pricing service or, if less actively traded, by utilizing a yield-based matrix system to arrive at an estimated market value. Listed options are priced based on the closing "bid-ask" prices and the last reported trade. Mutual fund shares are priced at net asset value. Shares of direct participation program (DPP) and real estate investment trust (REIT) securities that are not listed on a national exchange are generally illiquid. Because no trading market exists for these investments, their values are estimated. Unless otherwise indicated, the values shown for DPP and REIT securities have been provided by the management of each program and represent that management's estimate of the investor's interest in the net assets of the program. See statement sections for additional pricing information. Values for hedge funds and certain managed futures funds are provided on a month delay basis. Other managed futures funds may be priced more frequently. Long-term certificates of deposit (maturity beyond one year from date of issue) are priced using a market value pricing model. The sale or redemption price of your securities may be higher or lower than the prices shown on your statement. For an actual quote, contact the individual servicing your account.

Estimated annual income/yield: Estimated Annual Income (EAI), when available, reflects the estimated amount you would earn on a security if your current position and its related income remained constant for a year. Estimated Annual Yield (EAY), when available, reflects the current estimated annual income divided by the current value of the security as of the statement closing date. EAI and EAY are estimates and the actual income and yield might be lower or higher than the estimated amounts. EAY reflects only the income generated by an investment. It does not reflect changes in its price, which may fluctuate. The information used to derive these estimates is obtained from various outside vendors; Wells Fargo Advisors is not responsible for incorrect or missing estimated annual income and yields. Past performance is not a guarantee of future results.

Income summary: The Income summary displays all income as recorded in the tax system as of period end date. The totals in the Cash flow snapshot may not match the totals in the Income snapshot due to reclassifications or other corrections made in the tax system. Remember, you may have certain products that are not included in these figures and whose income is only available on the tax forms sent to you at year-end. Reclassifications and other tax reporting requirements may alter these numbers both during and after year end. You should rely only on tax reporting documents. Contact your tax advisor if you have any questions about the tax consequences of your brokerage activity.

Texas designation: If you are a resident of Texas who has purchased mutual fund shares, you may designate a representative to receive notification to assist in avoiding escheatment of assets in your investment account to the State of Texas. The designated representative does not have any rights to your account. Please use the Texas Unclaimed Property link (<https://claimit.texas.org/>) to access the Designation of Representative for Notice Request form which you may complete and return to us at ATTN: H0006-08K, 1 N. Jefferson Ave, St. Louis, MO 63103 or return by email at clientcontact@firstclearing.com.

Tax reporting: We are required by federal law to report annually to you and to the Internal Revenue Service (IRS) on Form(s) 1099 interest income, dividend payments and sales proceeds including cost basis information for applicable transactions credited to your account.

Account protection: Wells Fargo Advisors is a member of the Securities Investor Protection Corporation (SIPC) which protects against the loss of cash and securities held in client accounts of a SIPC member firm in the event of the member's insolvency and liquidation. SIPC coverage is limited to \$500,000 per customer, including up to \$250,000 for cash. For more information on SIPC coverage, please see the explanatory brochure at www.sipc.org or contact SIPC at (202) 371-8300. In addition, Wells Fargo Advisors maintains additional insurance coverage provided through London Underwriters (led by Lloyd's of London Syndicates). This additional insurance policy becomes available to clients if their SIPC limit is exhausted and provides additional protection up to a firm aggregate of \$1 billion, including up to \$1.9 million for cash per client. SIPC does not insure the quality of investments or protect against market losses. SIPC only protects the custody function of their members, which means that SIPC works to restore to clients their securities and cash that are in their accounts when the member firm liquidation begins. Not all investments are protected by SIPC. In general, SIPC does not cover instruments such as unregistered investment contracts, unregistered limited partnerships, fixed annuity contracts, escrow receipts, direct investments, currency, commodities or related contracts, hedge funds and certain other investments.

Investor education: Wells Fargo Advisors publishes on its web site www.wellsfargoadvisors.com information on topics of interest to investors as well as market commentary and economic analysis. This information may be found in the "Other Insights" menu. Wells Fargo Advisors has also developed numerous investor education guides to provide you with important information regarding the products and services we offer. These guides may be found in the "Why Invest With Us" menu.

Free credit balances: Free credit balances are not segregated and may be used by Wells Fargo Advisors in the operation of its business in accordance with applicable laws and regulations. You have the right to receive from us in the course of normal business operations, subject to any open commitments in any of your accounts, any free credit balances to which you are entitled.

Investment objectives/Risk tolerances: Please inform us promptly of any material change that might affect your investment objectives, risk tolerances or financial situation, or if you wish to impose or change any reasonable restrictions on the management of your account. A copy of the Investment Advisory Services Disclosure document is available without charge upon request. Please contact the individual denoted on the front of your statement to update your information and to receive a copy of this document.

Option accounts: Pursuant to FINRA Rule 2360, option assignment notices are randomly allocated by an automated process amongst all client short option positions that are subject to exercise, including positions established on the day of assignment. Transaction confirmations that were previously furnished to you provides information on commissions and other charges related to your option transaction executions. Details of our random allocation procedures and copies of transaction confirmations are available upon request.

Cash and Sweep Balances

Sweep Balances - You have the right, in the course of normal business operations, to withdraw balances in the Bank Deposit Sweep Program or redeem shares of the money market mutual fund used in the sweep, subject to any open commitments in any of your accounts and have the proceeds returned to your accounts or remitted to you. The money market mutual funds in the sweep reserve the right to require one or more day's prior notice before permitting withdrawals.

Bank Deposit Sweep - Consists of monies generally first held at Wells Fargo Bank, N.A. and (if amounts exceed \$250,000) at a Wells Fargo affiliated bank as described in the Bank Deposit Sweep disclosure.

Brokered Liquid Deposit - Consists of monies held at Wells Fargo Bank N.A., as described in the Brokered Liquid Deposit Disclosure.

Assets in the Bank Deposit Sweep Program and Brokered Liquid Deposit are not covered by SIPC, but are instead eligible for FDIC insurance of up to \$250,000 per depositor, per institution, in accordance with FDIC rules. Insurance is subject to FDIC rules, including for pass-through coverage, which require certain conditions to be satisfied for deposit insurance coverage to apply. Wells Fargo Clearing Services, LLC is not an FDIC-insured depository institution; FDIC deposit insurance only protects against the failure of an insured depository institution. Banking products and services provided by affiliated banks and Wells Fargo Bank, N.A. Member FDIC. For additional information, please contact Your Financial Advisor.

* APYE measures the total amount of the interest paid on an account based on the interest rate and the frequency of the compounding during the interest period. The annual percentage yield earned is expressed as an annualized rate, based on a 365 day year.

Bank Deposit Allocation

Monies on deposit at each bank are eligible for FDIC insurance of up to \$250,000 per depositor, per bank in accordance with FDIC rules. Insurance is subject to FDIC rules, including for pass-through coverage, which require certain conditions to be satisfied for deposit insurance coverage to apply. Banking products and services provided by affiliated banks and Wells Fargo Bank, N.A. Member FDIC. In those instances where deposit balances exceed the maximum FDIC insurance limits, those deposits will be uninsured. Deposits at each bank are not held in your securities brokerage account and therefore not covered by SIPC. Mutual Funds

Open End Mutual Funds

Open End Mutual Fund shares are priced at net asset value. Estimated Annual Income and Yield refer to Dividends and Interest Income only, and typically do not reflect Total return. Although retail and government money market funds seek to preserve a net asset value (NAV) of \$1.00 per share, in a negative interest rate environment, the fund's net asset value (NAV) may float to the nearest 1/100th of a cent (i.e., \$0.9999). When the NAV is floating, the value of your investment will fluctuate and lose value.

Wells Fargo Advisors is a trade name used by Wells Fargo Clearing Services, LLC, a registered broker-dealer and non-bank affiliate of Wells Fargo & Company.

General instructions and disclosures

About this statement

Clearing services: Wells Fargo Clearing Services, LLC (Wells Fargo Advisors), an indirect wholly owned subsidiary of Wells Fargo & Company, is a clearing broker-dealer registered with the Securities and Exchange Commission (SEC) and the Municipal Securities Rulemaking Board (MSRB) and is a member of the New York Stock Exchange (NYSE), the Financial Industry Regulatory Authority (FINRA) and all principal U.S. exchanges. Wells Fargo Advisors carries your account(s) and acts as your custodian for funds and securities deposited with us directly by you, or as a result of transactions we process for your account. Twice a year, Wells Fargo Advisors publishes on its web site www.wfclearing.com a statement of the firm's financial condition. A financial statement of this organization is available for your personal inspection at its offices, or a copy of it will be mailed upon your written request.

Trade date statement and trade details: All activity and positions on this statement are shown as of the date a trade is entered on the brokerage trading system (i.e., the trade date). Proceeds from the sale of securities and costs for the purchase of securities are not transacted through your account until the actual settlement date of the trade. The time of the transactions, the name of the buyer or seller, and the source and amount of any commission or fee will be furnished upon written request.

Pricing of securities: Securities prices on your statement may vary from actual liquidation value. Prices are provided by outside quotation services which we believe are reliable but due to the nature of market data the accuracy cannot be guaranteed. In the absence of such pricing, prices are estimated by Wells Fargo Advisors using available information and its judgment. Such estimates may not reflect actual trades and do not reflect a commitment by the firm to buy or sell at those prices. Securities listed on a national exchange are priced as of the close of the statement period. Unlisted shares may be valued at the current best published "bid-price", and, if none exists, the last reported transaction if occurring within the last 45 days. Prices of securities not actively traded may not be available and are indicated by "N/A." Corporate and municipal bonds and other fixed income securities are priced by a computerized pricing service or, if less actively traded, by utilizing a yield-based matrix system to arrive at an estimated market value. Listed options are priced based on the closing "bid-ask" prices and the last reported trade. Mutual fund shares are priced at net asset value. Shares of direct participation program (DPP) and real estate investment trust (REIT) securities that are not listed on a national exchange are generally illiquid. Because no trading market exists for these investments, their values are estimated. Unless otherwise indicated, the values shown for DPP and REIT securities have been provided by the management of each program and represent that management's estimate of the investor's interest in the net assets of the program. See statement sections for additional pricing information. Values for hedge funds and certain managed futures funds are provided on a month delay basis. Other managed futures funds may be priced more frequently. Long-term certificates of deposit (maturity beyond one year from date of issue) are priced using a market value pricing model. The sale or redemption price of your securities may be higher or lower than the prices shown on your statement. For an actual quote, contact the individual servicing your account.

Estimated annual income/yield: Estimated Annual Income (EAI), when available, reflects the estimated amount you would earn on a security if your current position and its related income remained constant for a year. Estimated Annual Yield (EAY), when available, reflects the current estimated annual income divided by the current value of the security as of the statement closing date. EAI and EAY are estimates and the actual income and yield might be lower or higher than the estimated amounts. EAY reflects only the income generated by an investment. It does not reflect changes in its price, which may fluctuate. The information used to derive these estimates is obtained from various outside vendors; Wells Fargo Advisors is not responsible for incorrect or missing estimated annual income and yields. Past performance is not a guarantee of future results.

Income summary: The Income summary displays all income as recorded in the tax system as of period end date. The totals in the Cash flow snapshot may not match the totals in the Income snapshot due to reclassifications or other corrections made in the tax system. Remember, you may have certain products that are not included in these figures and whose income is only available on the tax forms sent to you at year-end. Reclassifications and other tax reporting requirements may alter these numbers both during and after year end. You should rely only on tax reporting documents. Contact your tax advisor if you have any questions about the tax consequences of your brokerage activity.

Texas designation: If you are a resident of Texas who has purchased mutual fund shares, you may designate a representative to receive notification to assist in avoiding escheatment of assets in your investment account to the State of Texas. The designated representative does not have any rights to your account. Please use the Texas Unclaimed Property link (<https://claimtexas.org/>) to access the Designation of Representative for Notice Request form which you may complete and return to us at ATTN: H0006-08K, 1 N. Jefferson Ave, St. Louis, MO 63103 or return by email at clientcontact@firstclearing.com.

Tax reporting: We are required by federal law to report annually to you and to the Internal Revenue Service (IRS) on Form(s) 1099 interest income, dividend payments and sales proceeds including cost basis information for applicable transactions credited to your account.

Account protection: Wells Fargo Advisors is a member of the Securities Investor Protection Corporation (SIPC) which protects against the loss of cash and securities held in client accounts of a SIPC member firm in the event of the member's insolvency and liquidation. SIPC coverage is limited to \$500,000 per customer, including up to \$250,000 for cash. For more information on SIPC coverage, please see the explanatory brochure at www.sipc.org or contact SIPC at (202) 371-8300. In addition, Wells Fargo Advisors maintains additional insurance coverage provided through London Underwriters (led by Lloyd's of London Syndicates). This additional insurance policy becomes available to clients if their SIPC limit is exhausted and provides additional protection up to a firm aggregate of \$1 billion, including up to \$1.9 million for cash per client. SIPC does not insure the quality of investments or protect against market losses. SIPC only protects the custody function of their members, which means that SIPC works to restore to clients their securities and cash that are in their accounts when the member firm liquidation begins. Not all investments are protected by SIPC. In general, SIPC does not cover instruments such as unregistered investment contracts, unregistered limited partnerships, fixed annuity contracts, escrow receipts, direct investments, currency, commodities or related contracts, hedge funds and certain other investments.

Investor education: Wells Fargo Advisors publishes on its web site www.wellsfargoadvisors.com information on topics of interest to investors as well as market commentary and economic analysis. This information may be found in the "Other Insights" menu. Wells Fargo Advisors has also developed numerous investor education guides to provide you with important information regarding the products and services we offer. These guides may be found in the "Why Invest With Us" menu.

Free credit balances: Free credit balances are not segregated and may be used by Wells Fargo Advisors in the operation of its business in accordance with applicable laws and regulations. You have the right to receive from us in the course of normal business operations, subject to any open commitments in any of your accounts, any free credit balances to which you are entitled.

Investment objectives/Risk tolerances: Please inform us promptly of any material change that might affect your investment objectives, risk tolerances or financial situation, or if you wish to impose or change any reasonable restrictions on the management of your account. A copy of the Investment Advisory Services Disclosure document is available without charge upon request. Please contact the individual denoted on the front of your statement to update your information and to receive a copy of this document.

Option accounts: Pursuant to FINRA Rule 2360, option assignment notices are randomly allocated by an automated process amongst all client short option positions that are subject to exercise, including positions established on the day of assignment. Transaction confirmations that were previously furnished to you provides information on commissions and other charges related to your option transaction executions. Details of our random allocation procedures and copies of transaction confirmations are available upon request.

Mutual Funds

Open End Mutual Funds

Open End Mutual Fund shares are priced at net asset value. Estimated Annual Income and Yield refer to Dividends and Interest Income only, and typically do not reflect Total return. Although retail and government money market funds seek to preserve a net asset value (NAV) of \$1.00 per share, in a negative interest rate environment, the fund's net asset value (NAV) may float to the nearest 1/100th of a cent (i.e., \$0.9999). When the NAV is floating, the value of your investment will fluctuate and lose value.

SIPC coverage is limited to \$500,000 per customer, including up to \$250,000 for cash. For more information on SIPC coverage, please see the explanatory brochure at www.sipc.org or contact SIPC at (202) 371-8300. In addition, Wells Fargo Advisors maintains additional insurance coverage provided through London Underwriters (led by Lloyd's of London Syndicates). This additional insurance policy becomes available to clients if their SIPC limit is exhausted and provides additional protection up to a firm aggregate of \$1 billion, including up to \$1.9 million for cash per client. SIPC does not insure the quality of investments or protect against market losses. SIPC only protects the custody function of their members, which means that SIPC works to restore to clients their securities and cash that are in their accounts when the member firm liquidation begins. Not all investments are protected by SIPC. In general, SIPC does not cover instruments such as unregistered investment contracts, unregistered limited partnerships, fixed annuity contracts, escrow receipts, direct investments, currency, commodities or related contracts, hedge funds and certain other investments.

Cash and Sweep Balances

Sweep Balances - You have the right, in the course of normal business operations, to withdraw balances in the Bank Deposit Sweep Program or redeem shares of the money market mutual fund used in the sweep, subject to any open commitments in any of your accounts and have the proceeds returned to your accounts or remitted to you. The money market mutual funds in the sweep reserve the right to require one or more day's prior notice before permitting withdrawals.

Brokered Liquid Deposit - Consists of monies held at Wells Fargo Bank N.A., as described in the Brokered Liquid Deposit Disclosure.

Assets in the Bank Deposit Sweep Program and Brokered Liquid Deposit are not covered by SIPC, but are instead eligible for FDIC insurance of up to \$250,000 per depositor, per institution, in accordance with FDIC rules. Insurance is subject to FDIC rules, including for pass-through coverage, which require certain conditions to be satisfied for deposit insurance coverage to apply. Wells Fargo Clearing Services, LLC is not an FDIC-insured depository institution; FDIC deposit insurance only protects against the failure of an insured depository institution. Banking products and services provided by affiliated banks and Wells Fargo Bank, N.A. Member FDIC. For additional information, please contact Your Financial Advisor.

Bank Deposit Allocation

Monies on deposit at each bank are eligible for FDIC insurance of up to \$250,000 per depositor, per bank in accordance with FDIC rules. Insurance is subject to FDIC rules, including for pass-through coverage, which require certain conditions to be satisfied for deposit insurance coverage to apply. Wells Fargo Clearing Services, LLC is not an FDIC-insured depository institution; FDIC deposit insurance only protects against the failure of an insured depository institution. Banking products and services provided by affiliated banks and Wells Fargo Bank, N.A. Member FDIC. In those instances where deposit balances exceed the maximum FDIC insurance limits, those deposits will be uninsured. Deposits at each bank are not held in your securities brokerage account and therefore not covered by SIPC. Mutual Funds

Open End Mutual Funds

Open End Mutual Fund shares are priced at net asset value. Estimated Annual Income and Yield refer to Dividends and Interest Income only, and typically do not reflect Total return. Although retail and government money market funds seek to preserve a net asset value (NAV) of \$1.00 per share, in a negative interest rate environment, the fund's net asset value (NAV) may float to the nearest 1/100th of a cent (i.e., \$0.9999). When the NAV is floating, the value of your investment will fluctuate and lose value.

You and Wells Fargo

Thank you for being a loyal Wells Fargo customer. We value your trust in our company and look forward to continuing to serve you with your financial needs.

Other Wells Fargo Benefits

Be mindful of ongoing scams affecting older adults. Help protect yourself and loved ones from:

- **Investment scams** - the scammer makes friends with you on social media then offers to show you how to invest in crypto or another "money making" opportunity. Watch out for promises of big returns, suggestions to invest in crypto, or requests to wire money.
- **Scam Callers Pretending to Be Tech Help** - scammers pose as a computer technician, or you may get a pop-up window on your screen warning you about an issue with your device.

If you have a real tech issue: go to a local company that you know and trust. Be on the lookout for fake websites. Never trust someone who contacts you first or asks for access to your device. **If this happens to you, it's a scam.**

1. Tell us your name and account number (if any).
2. Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
3. Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days. We will determine whether an error occurred within 10 business days (5 business days for debit card point-of-sale transactions and 20 business days if the transfer involved a new account) after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days (90 days if the transfer involved a new account, a point-of-sale transaction, or a foreign-initiated transfer) to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation.

If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account. Your account is considered a new account for the first 30 days after the first deposit is made, unless each of you already has an established account with us before this account is opened. We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.
